Veronica and Michael –

Attached is a spreadsheet of the relevant Uber policies for production that have been identified from the Homepages/Repositories/Directories produced in this MDL or from other sources.

If the Policy on this spreadsheet was identified from documents produced in the MDL, then you will find Beg Bates and Source information identifying where the policy name was pulled from.

Additionally, I have highlighted in green Homepages / Repositories / Directories that have not been produced despite the Court's prior order. Now that these are identified to you, please produce them immediately.

Please review and let me know if you have any questions.

Sincerely,

**Bret Stanley** | Senior Counsel
